

NHS & IBM - What's the plan: Client Meeting Minutes 4

Team 32 - Byoung Hun Min, Shivam Shah, Eduard Ursinschi

Meeting Date: 08 February 2017

Meeting Start Time: 18:00

Meeting Participants:

Shivam Shah
Brian Min
Eduard Ursinschi
Paul Fleming

Platform: Phone conference call

Topics:

- Project catch up and other discussions due to long gap/delay since last conference call.
- Possibly receive support from Code4Health team regarding openEHR implementation or understanding.
- Work on developing an especially effective User Interface for the entire app with good functionality of features, should form an effective template for future development.
- Recap of initial point regarding making sure all text fields and input forms in the app are relevant, necessary and not overdone.
- Biweekly reports from now on should contain some screenshots of features implemented and general User Interface for the benefit of the client.
- Milestone, plan to get first prototype of working app with all features implemented in 4 weeks, 9th March 2017
- Plan to upload prototype of app on either iOS or Android, so that it can be tested by client and other important patient contacts, and receive feedback that would drive the next prototype/final design.

Meeting End Time: 19:00
